The Role

Northeastern University London wishes to appoint an Assistant or Associate Professor in Finance & Accounting (Teaching & Scholarship track).

The appointee will contribute to the teaching activities of Northeastern University London in the area of Finance & Accounting, and general service to the University either within the Faculty or in cross-Faculty tasks.

We wish to appoint a specialist in Finance & Accounting. Preference may be given to candidates with active interests in the relationship of Finance & Accounting to one or more of the following areas: software and/or technology; employment contexts; diversity and inclusion. Teaching competency in Financial Accounting & Reporting to at least Level 4 (1st year undergraduate) is required.

Core duties will include teaching on a range of courses and service to the institution. At the Associate Professor level, the candidate may be expected to perform line management duties. The courses offered in this subject area in 2023-24 will include Financial Accounting & Reporting (L4), Finance I (financial markets), and Finance II (corporate finance) (L6). In future years, the University will also offer Financial Management (L5), Corporate Finance (L6), and Fintech and Financial Innovation (L6).

Northeastern University London will be launching a new BSc Business degree in September 2023, and the postholder will be an active participant in establishing this new degree as a key part of the University's provision.

We particularly encourage applications from those with an interest in innovative teaching, learning and assessment; those with experience of supporting a wide variety of students; and those belonging to groups underrepresented in UK higher education. We are open to appointing on a reduced fraction/job-share basis subject to our business needs.

Department

In the first instance, the appointee will work in a multidisciplinary team under the Dean for Education in Business and Economics. In a typical academic year, the team includes 20-25 academic staff, including academics in Economics, Business, Marketing, Mathematics, Statistics, and Finance & Accounting. The quality of teaching in the Faculty is high, as evidenced, for example, through scores in the National Student Survey and External Examiner reports.

About the University

Based in the heart of London, Northeastern University London has developed a reputation for delivering an excellent university experience and has exceeded all Russell Group universities for overall student satisfaction in the UK's National Student Survey for four consecutive years (NSS 2019, 2020, 2021 and 2022).

Small by design, Northeastern University London offers a vibrant, collegiate community delivering broad and academically rigorous degree programmes, designed to equip graduates with the combination of skills and knowledge that are increasingly desired by organisations, employers and society.

Northeastern University London is part of Northeastern University's Global Campus Network. Ranked #44 in the USA, Northeastern has campuses in Arlington, Boston, Charlotte, Miami, Oakland, San Jose, and Seattle in the USA, and Toronto and Vancouver in Canada.
